Q: What happens if I was undergoing treatment or in a course of care during the change of administrators on 10/1/24? Will Emblem or Anthem be responsible for my claims?

A: If a pre-determination request was submitted to Emblem prior to 10/1/24 and services were approved, Anthem will continue to approve those services 10/1/24 and after. Your cost share could change effective 10/1/24 depending on whether the provider is in-network or out-of-network with Anthem, so you should confirm the participating status of your doctor on <https://www.anthembluecross.com/nys-dental> or call the dedicated Anthem NYS Dental Plan toll-free number at 1-833-821-1949 with any questions. All services rendered on 10/1/24 and after should be submitted to Anthem either electronically by a participating provider or by mail to: Anthem Dental Claims PO Box 1482 Minneapolis, MN 55440-1482.

Certain restorative, implant, and prosthetic services require multiple visits to complete a course of care and these services may not be billed to insurance until the completion of care. If you started a covered treatment or course of care with an in-network Emblem provider prior to the transition to Anthem on 10/1/24 for these types of services and you receive a bill for the entire course of care at out-of-network charges from the provider post 10/1/24, you can submit your claim to Emblem for consideration as well. The Emblem claim form is available at: <https://www.cs.ny.gov/forms/Emblem-Dental-ADA-Claim-Form.pdf>.

You will get a denial from Emblem, but then you or your provider have up to 180 calendar days from when you receive the denial to file a Grievance to get your claim considered for payment at the higher, in-network level of benefits. The qualified services must have started before 10/1/24 and completed within 60 days after the Emblem contract termination date. You can file a Grievance by calling Emblem Customer Service at 1-800-947-0101 or by sending your Grievance in writing to: EmblemHealth P.O. Box 12365, Albany NY 12212-2365.

For more information on Grievance and Appeal rights, please reference your NYS Dental Plan Certificate of Insurance on the NYSHIP website <https://www.cs.ny.gov/employee-benefits/login/index.cfm> or call Emblem Customer Service at 1-800-947-0101 with questions.

Anthem is actively recruiting as many providers into their network as possible. To find out if your current provider participates in the Anthem network, visit <https://www.anthembluecross.com/nys-dental> and select your Plan name under Search for a Dental Provider. You will be directed to the XPO Dental Complete – NY State Dental Plan network where you can search for providers by address, doctor name or specialty type. There are some situations where a provider may not be listed, so you can also call the dedicated Anthem NYS Dental Plan toll-free number at 1-833-821-1949 to check participating status.
