

Join Our Networks

New Providers

Thank you for your interest in becoming a network provider with Empire BlueCross BlueShield. We seek to establish contracts with exceptional providers and look forward to working with you to provide quality service to our members.

For more information about joining our network, kindly contact a Network Management Consultant by calling

1-800-992-BLUE (2583) as soon as possible, and select the following prompts:

- Option 1: Medical Providers
- Option 4: Updates and Other Information
- Option 1: Participation and Credentialing Information
- Enter your zip code

Already a participating provider with Empire

If you are already a contracted provider with Empire and you have questions about your existing contract or wish to add networks to your contract, kindly contact your Network Management Consultant by calling 1-800-992-BLUE (2583) as soon as possible, and select the following prompts:

- Option 1: Medical Providers
- Option 4: Updates and Other Information
- Option 1: Participation and Credentialing Information
- Enter your zip code
