

OBGyn Referral Preparedness Tool

This template is offered as a tool that can evolve over time as providers build upon existing coordination processes and identify new opportunities for improvement. It is available for use by the Represented Specialty Care Physician and Primary Care Physician for coordination of care referrals and activities. Use of this Referral Preparedness Tool is not required and is optional. It is designed to be a resource and is not a program requirement.

Condition/Event	PCP COORDINATION WITH SPECIALIST
Routine Screening	<ol style="list-style-type: none"> 1. Regarding treatment of patients who have mild dysplasia of less than two years in duration refer to ACOG guidelines (Choosing Wisely Measure) 2.
